Message :

Hello Karen,
 Here are some words for you. I hope it will be suitable for your promotion!

"I Am Bounty Unleashed" is a new interesting project in genre R&B/Soul music. It stirs the soul from the first seconds of opening song "Going for It Now" and it doesn't set you free till the last moments. The characteristic features of this project is a strong melodic pattern and powerful and at the same time very sensitive vocals. You won't be disappointed when you hear the album "I Am Bounty Unleashed". Listen to this remarkable project and start to move your body and mind.

What your opinion about my writings?
 Can you send me T-shirt (large size)?
 All the Best.
